WHAT DID YOU LOVE ABOUT YOUR FIRST MONTH AT REDEEMER?

It's been awhile since my first month at Redeemer but I vaguely remember liking all the events and people. And jamming with other musicians in our dorm basement.

WHAT DO YOU LOVE ABOUT REDEEMER NOW?

The potential Redeemer has to create great experiences and events.

WHAT IS YOUR FAVOURITE BAND?

Current bands I'm enjoying are: Fun., M83, Said The Whale, Hey Rosetta, and DJ Adam Cooper's podcasts.

WHAT IS YOUR FAVOURITE MOVIE?

Little Miss Sunshine – No traditional hero's in that movie. All flawed humans, struggling together. And I like it when the door falls off the van

WHAT IS YOUR FAVOURITE FOOD?

Restaurant food located near my house. Breakfast at the Harbour Diner. A \$2.50 sub from Bonanza Bakery. And a Shawarma from North End Pita for supper.

WHAT IS ONE LIFE GOAL YOU HAVE?

I'd love to score the winning goal in a soccer championship. This spring, I almost achieved my goal except that I needed the help of my teammates head to get it the final two feet into the net.

DO YOU HAVE ANY HIDDEN TALENTS?

Nope.

IF YOU COULD LIVE ANYWHERE IN THE WORLD, WHERE WOULD YOU LIVE?

Manitoulin Island

WHAT IS YOUR FAVOURITE ORIENTATION ACTIVITY?

I'm looking forward to the Decade Dance this year...there will be some surprises!

WHAT ARE YOU LOOKING FORWARD TO IN 2011- 2012?

Welcoming all the new students and introducing them to the awesome Redeemer culture we have. It's too good not to share!
